A Note on Stewardship

October has passed the halfway mark and our pledge drive is in full swing. This year we are looking toward the Scriptures for reasons for us to give. We have looked at **Exodus 16** where God provided the Israelites manna (food) for their survival in the wilderness and is providing us with what we need to get us through our trip in the wilderness (our pastoral search). We looked at **Genesis 45** and discovered that God has given us not only food for our bodies but the gift of forgiveness and shows us that we must realize that it is in God’s hands. We are impatient with the lack of progress in finding a new pastor, we need to know that God will provide for our needs.

Coming scriptures from **Luke 13, Matthew 6**, and others will show us how much we have received from God and our stewardship is one way we can give back some of what we have received.

Join us this **Advent season** as Ashley Pogue and Andrew Quick bring their gifts of music, art, and laughter to guide us towards the celebration of Christmas. Since meeting in 2013, Ashley

and Andrew have been making art together, which continued through their recent graduation, alongside one another, from San Francisco Theological Seminary with Master in Divinity. Ashley is a visual artist, singer, and photographer. And Andrew...is a clown.

They have brought their unique blend of art and interactive storytelling to churches throughout the Bay Area and look forward to spending the Advent season with you.

Session

Session met in a Regular (Stated) meeting on October 17, 2019, with Reverend InHo Kim of San Francisco Presbytery as guest moderator.

The following motions were unanimously approved:

- To include both the Pulpit Supply Schedule and the agreement between Pulpit Supply Pastor/Speaker in the October 17 Session minutes as a matter of record.
- To accept the bid of \$2500 for painting by Barnoski Painting.

If you have any questions concerning these proceedings, please contact an elder.

Board Of Deacons

As we move into the middle of the fall semester, it is a good time to help our congregation act in another practical spiritual discipline...taking a break! Either through spiritual or physical journey, it is always a good reminder to take deep breaths, smell the fresh air, and enjoy the beauty of our surroundings made by our loving God. This message is so timely for me because I have informed my fellow deacons and church friends that I am taking a break from deacon moderator leadership to attend to some personal matters in life. I can understand why Jesus took his disciples away every now and again to rest and reconnect with God and each

other. I want to feel energized, refreshed, and focused as I begin to approach new life endeavors and God's purpose for me. I hope that we all continue to serve our church and surrounding community.

Bringing up gratitude, we would like to share a thank you note from one of our friends, Ben Bongers, a friend of the Haddox's. Ben's note reads, "Thank you for the beautiful card of encouragement! I am a firm believer of prayer and all of its power. Ask for continued prayers as I enter chemo/radiation. Again, bless and thank you!"

This past month, we assisted in two memorial events. Judy Burnham's husband Richard passed on Friday, September 27 and she hosted a memorial reception in Tweedie Hall in the afternoon on Saturday, October 26th. And our dear and long-time friend Mert Jones passed early on Wednesday, October 9th. A memorial service was held in the Sanctuary Saturday morning, October 26th.

We embraced the month of October with strong devotions and active prayers of encouragement for our members to serve our community of faith and to be prepared to welcome the Advent season. We last met on October 13th, we discussed our continued efforts to help during coffee hour, preparing the Communion table, ushering and managing the pantry supplies, as well as attending to any church member or family in need prayers and/or encouragement.

We are also reminded to continue prayers for members Bonnie and Douglas Cobb, Mig Ibarrientos and Beth Ketchum, and the families

of Judy Burnham and Mert Jones. We sent out about 20 cards for sympathy, get well, and birthdays.

My sincere gratitude and thanks to all our faithful deacons: Mike Allgire, Eunice Brabec, Douglas Cobb, Gerry Manis, Richard Murray, and Lina Sana. God Bless Us All!!!

– Respectfully submitted, David Pajarit,
Deacon Moderator

Building & Grounds

The termite tenting of the building is scheduled for December 26, 27, and 28, 2019. Some lawn damage will occur.

The December dates were chosen because the Peninsula Family Service daycare center will be closed for vacation. All locked rooms, cabinets and files will need to be unlocked for inspection by Clark Pest Control.

All food will need to be removed from the building.

Barnoski Painting will be painting the stairwell and hallway by the Geneva Room.

Choir

How does your pledge help support the Music at Broadmoor?

The budgeted funds for the Choir pays for a little new music, instrument upkeep, and Music staff. The Concert series is not dependent on BPC funds except for the small amount of

electricity used for lights. The Concert series helps pay for some piano tunings, and contributes toward many aspects of church maintenance and improvements.

Note that for the winter months (November, December and January), Choir will be rehearsing on Sunday mornings instead of Wednesday nights. Please join us Sundays at 9:00 am in the Sanctuary.

Fellowship Ministry

The congregation enjoyed sandwiches, fruit, and pastries prepared by the fellowship ministry team October 13. We are happy to serve you and appreciate any help. If you would like to join our team please see me or anyone on the fellowship team (Jean Aro, Bonnie Cobb, Martha Espinosa, Betty Fong, Lina Sana, or Geraldine Thompson).

Community Notice

Bethany Presbyterian Church will host a free, community-wide dinner and screening of ***Trigger: The Ripple Effect of Gun Violence*** on Saturday, November 2nd at 2400 Rosewood Drive, San Bruno California, at 5:30 pm. The 6:30 pm screening will be followed by a community discussion with those in attendance, about the film and what can be done in our community to prevent gun violence.

Bethany is committed to listening to these voices and it is using ***Trigger*** as a platform for engaging this critically important conversation. As a Christian community, we desire to put our thoughts and prayers into meaningful action. We know that while easily within reach, and where hateful, racist words too readily become hateful, racist acts.

“When we screen ***Trigger***, people seem to connect on a deep level, and it initiates a conversation that asks, “What can we do in our community to prevent gun violence”? Says director and producer David Barnhart.

For more information on this film, visit TriggerDoc.com and on this event, visit bethanypcusa.org.

The Presbyterian Church (U.S.A.) comprises nearly 2 million members in more than 10,000 congregations, answering Christ’s call to mission and ministry throughout the United States and the World.

Bethany Presbyterian Church Presents

Community Movie Night with Dinner and Discussion

Saturday, November 2, 5:30 – 8:00 p.m.

Like many communities across the nation, we are gravely concerned about gun violence in our community, and throughout the nation. The Presbyterian Church (USA) has recently produced a documentary titled *Trigger: The Ripple Effect of Gun Violence*, which examines the ripple effect one shooting has on a survivor, a family, a community, and a society. It is told from the perspectives of those who have been directly impacted and those who are called daily to respond to this ongoing tragedy.

Bethany will host a free, community-wide dinner and screening of *Trigger: The Ripple Effect of Gun Violence* on Saturday, November 2, at 2400 Rosewood Drive, San Bruno California, at 5:30 p.m. The 6:30 screening will be followed by a community discussion with those in attendance, about the film and what can be done in our community to prevent gun violence.

Please join us, and other concerned citizens and faith communities as we explore this issue, and how to add meaningful action to our thoughts and prayers.
