“Walking together, experiencing and sharing God’s love.”

MARCH 2020

From the Pastor

Dear Friends,

On February 15th the Elders and Deacons of Broadmoor Presbyterian Church spent time together in fellowship, brainstorming, and, of course, drinking coffee at the Leadership Retreat. Using Joan S. Gray’s book *Spiritual Leadership for Church Officers*, we began to consider the question, “What is God leading us to be and do now in the place we find ourselves?”

After a quick Presbyterian Polity and Governance review, and I am proud to say no one fell asleep during, we contemplated if we are a rowboat or sailboat church as defined by Gray. A “rowboat church” makes decisions based on the presence or absence of resources. In contrast, a “sailboat church” knows that God can accomplish more than we can imagine, and the church is marked with a passion for God, faith in God’s provision, and a willingness to let go. The leadership felt we were somewhere in between, and definitely moving towards becoming a sailboat church.

After a quick break, which involved more coffee and treats, we reconvened with a bible study and closed with a brainstorming session

regarding the three “C’s” of our Church: congregation, communication, and community. Here are a few ideas that emerged:

- updating our online presence, improving signage out front,
- restarting a mid-week scripture study
- providing breakfast for university students, partnering with the preschool, etc.

After we finished the retreat I had a conversation with someone who shared a personal realization from the day. I heard them say that it is not about being or doing something that meets *our own* agenda. Rather the heart of the matter is to care for one another in the pews with us. To express compassion and love for one another. To love more fully and fill the sanctuary with compassion.

We will continue to prayerfully consider what we are called to be and do. As we begin to sail into the unknown future and try new ways of communicating and living in community, we do so with love and compassion for one another. We know not what is to come, but God is faithful and we sail with one another.

Blessings,

Pastor Andrew Quick

Session

Session met in a Regular (Stated) meeting on February 20, 2020, with the Rev. InHo Kim of San Francisco Presbytery as guest moderator. Although Session had a full agenda, only one motion came to fruition.

The following motion was unanimously approved:

- For Pastor Andrew Quick to be enrolled for Health Benefits with the San Francisco Presbytery's Board of Pensions

If you have any questions concerning these proceedings, please contact an elder.

– Respectfully submitted, Marian Hardin, Clerk of Session

Board Of Deacons

We will be meeting on March 8th to plan for the next few months. We will meet after worship in the Geneva Room. We continue to remember those in our prayers including: Douglas Cobb, Carolyn Kell, Beth Ketchum, and the friends and family of Bill King. Please remember these continuing prayer needs for: Heru and Liana Hartanto, Bill Holden, Gerry Manis, and the San Francisco Presbytery.

Building & Grounds

The heater in the Westminster Room is turned off and is not to be used until tested. Dennis Shreve installed handrails on the walls by the steps in Tweedie Hall. Thanks to Martha and Rich for keeping the grounds looking good and trash free. A clock was purchased for the Geneva Room. Clark Pest Control recommends a warranty for termite inspection and protection, but we are waiting for additional information. B&G is looking into the number of persons needed to have proprietary authority for a master key to the building.

Thanks Dennis and Rich for fixing our cross. The base of the cross gave way during the last wind-storm.

Thanks to Pastor Bob Eusebio of Living Stone Ministries for rescuing the cross.

Come Worship with Us! All are welcome!

– Respectfully submitted, Margie King

Mission Ministry

Earlier in February, the officers set aside time at the annual leaders’ retreat to pray and plan together. Truly, it was wonderful to see all of the energy, joy and creativity of our BPC leadership!

We deeply appreciate the fellowship and community of this church and look forward as we not only enter a new year, but a new decade as well.

In keeping with tradition with the North Peninsula Food Pantry & Dining Center of Daly City, we thank you for continuing to fill the Food Pantry basket that is located in the Narthex. All non-perishable foods are accepted including condiments and goodies for baking like frosting,

and cake mixes, and mayonnaise, mustard, ketchup.

The Mission team met on February 23rd after worship, our first Mission team meeting of the new year, and had been decided to keep our meetings on the fourth Sunday of the Month after worship in the Geneva Room. We also decided to make a monetary donation of \$250 to help the victims of the Taal Volcano in the Philippines through our partnership with the Daly City office of the Pilipino Bayanihan Resource Center (PBRC), chaired by our Perla Ibarrieltos.

Perla and David at PBRC

Taal Volcano Effort

If you are interested in finding out more about the Mission Ministry team, I encourage you to join in on a meeting on the 4th Sunday of the month after worship in the

Geneva Room. Volunteering is a great way to be a part of something worthwhile while it also impacts positivity within yourself. Many thanks for your prayers and support to the BPC Mission ministry. Continue to use the green Mission envelope found in bulletins on Communion Sunday.

Mission team: Bonnie Cobb, Holy Hing, Perla Ibarrientos, and Rich Murray

Stewardship

The Per Capita envelope in your offering box is a blue envelope.

What is it and why is it a separate envelope?

The Per Capita is a fee that each church must pay to the PC(USA) organization. This fee is determined by the number of members in the congregation and is set by the Presbytery, synod, and General Assembly (OGA). This year, the Per Capita fee is \$38.00 per member (not per offering unit). This is not a controllable part of the church budget and cannot be altered, no matter how much is received in pledges by our members. Even though Per Capita funds mission efforts of the entire PC(USA) organization, it takes away from the mission and operational budget of the individual churches, such as Broadmoor.

Below is a statement from the OGA with further information about the Per Capita fee.

As you can tell, BPC has benefited from several of these programs.

All Presbyterians are called to take part in the whole church's ecclesiastical and administrative work through per capita giving. The annual rate is a per-member apportionment that is assessed triennially by the General Assembly. (Book of Order, G-3.0106)

"Per Capita is crucial to the overall health of the PC(USA), because it binds presbyteries, synods, and congregations together in one church.," says J. Herbert Nelson, II, Stated Clerk of the General Assembly of the PC(USA).

Per Capita connects Presbyterian Church (USA) congregations and mid-councils with the work of the wider church. As the primary source of funding for the Office of the General Assembly (OGA), it is how Presbyterians mutually and equitably share the costs of moving the church forward in the 21st century.

Per Capita giving makes it possible for:

- Presbyterians to discern and live out God's call in their lives
- Churches to connect with individuals seeking a call to ministry
- OGA to staff and support General Assembly committees and commissions
- OGA to manage and coordinate General Assembly gatherings
- Presbytery and synod leaders to gather for training and discernment
- OGA to provide counsel and support for churches in crises (misconduct, legal matters)

- Presbyteries to address matters of inclusion, participation and representation at all levels of church leadership and decision making
- The denomination to build connections with ecumenical partners around the world
- Presbyteries and pastors to receive support on immigration issues
- Presbyterian history to be saved and utilized by future generations

BPC includes this blue envelope in the offering boxes so that you can help our church offset the cost of this requirement to the PC(USA) organization. Please look inside your offering box, remove the blue envelope, make that \$38.00 Per Capita contribution. By helping the church offset this charge, your pledge dollars will stretch a little further in our own mission in our local community.

February 15 Leadership Retreat

Leadership Retreat workshop

There was a lot of discussion during the very successful retreat. From our Mission Study Report, Pastor Andrew had observed three areas of concern - Communication, Congregation and Community - and we all responded with suggestions for improvement. We will be considering many ideas.

The Worship team will now meet on the third Sunday of the month after worship so that Pastor Andrew can attend. We met on February 16th and made plans for Lent beginning with a Fat Sunday celebration (2.23), Ash Wednesday (2.26, service at 6:00 pm) and Palms for Palm Sunday. There is a call for scraps of fabric which we will use as “miracles” in an interactive art piece. We are coordinating with Bethany and St. Andrew for Holy Week. St. Andrew will have Good Friday Service at 7:00 pm.

– Respectfully submitted, Perla G. Ibarrientos

Some Church Info

For those of you who are still in contact with Margaret Dietrich, she has moved. The address in the 2020 Church Directory is her current address.

Just in case you don't know our bookkeeper, meet Peggy Draper. She also works at St. Andrew Church in Pacifica.

So if you are at the church on any given Friday morning, say hi to Peggy.

There is a hospital bed that needs a home. Call the church office for details.

Scammer Update

Community Be Aware!!!

It has been reported to the church office that scammers are using "Broadmoor Pres" in their latest scheme. Although it is still unclear how but if you see Broadmoor Pres on your caller ID, do not answer - and the prefix for the number being used is an area code 424, disregard the call.

Prayer

A prayer in its simplest definition is merely a wish turned God-ward. — Phillips Brooks

It is not growing like a tree

In bulk, doth make Man better be:

Or standing long an oak, three hundred year,

To fall a log at last, dry, bald, and sere:

A lily of a day

Is fairer far in May,

Although it fall and die that night -

It was the plant and flower of light.

In small proportions we just beauties see;

And in short measures life may perfect be.
